SURFACEWORKS®

A DBA of BayView Industries

Company Overview

Making Your Tables

At SurfaceWorks, we create innovative table solutions for every kind of environment—whether you need a personal desk for a pop-up workstation or a fully custom conference table that makes a statement.

We serve a wide range of industries, including corporate, hospitality, education, healthcare, and government. No matter the size, style, or function, we'll help you find the perfect fit.

Customer Approach

Service with a smile

We approach our work with respect, knowledge, and efficiency — but most importantly, never without a smile. We are a family that values integrity, practices open communication and prioritizes opportunity.

State-of-the-Art Manufacturing

Our Milwaukee-based manufacturing is top of the line. From advanced information systems to the latest-and-greatest equipment, we help ensure products are delivered reliably. We have spent years refining our manufacturing engine — we're proud to say it runs seamlessly at every step.

Partner and Collaborator

Our team is made up of passionate and dedicated people. They're the pulse of our business — from customer service and estimating, to manufacturing and assembly, and so much more. They inspire, collaborate, and work hard to bring the built environment to life.

Design Principles

Human Centered

Humans are at the center of what we do. With them, their well-being, and needs at the forefront of our design process, we work to bring Human-Centered design to life for the working environment.

Sustainably Minded

We take our commitment to the environment seriously and are eager to partner with you in doing the same. Whatever your sustainability goals might be, we have solutions for you. As we continue to create new products, source new materials, and establish future goals, the environment is a key driver in the decisions we make.

Carefully Curated

Our focus is on bringing products to market that are well-crafted, thoughtful, and intentional. With a broad selection of colors, materials, and finishes, our product portfolio offers endless options that enable you to create the solution you need.
